

# Here I Am

Renee Sandstrom

They tell you a good girl is quiet  
And that you should never ask why  
Cause it only makes it harder to fit in  
And you should be happy, excited  
Even if you're just invited  
Cause the winners need  
Someone to clap for them  
It's so hard just waiting  
In a line that never moves  
It's time you started making  
Your own rules You gotta scream until  
There's nothing left  
With your last breath say  
Here I am, here I am  
Make em listen  
Cause there is no way you'll be ignored  
Not anymore, say  
Here I am, here I am  
Here I am, here I am You only get one life to work it  
So who cares if it's not perfect  
Say "it's close enough to perfect for me"  
Why should you hide from the thunder  
And the lightening that your under  
Cause there ain't nobody else you wanna be  
If how your living isn't working  
There's one thing that'll help  
You got to finally just stop searching  
To find yourself You gotta scream until  
There's nothing left  
With your last breath say  
Here I am, here I am  
Make em listen  
Cause there is no way you'll be ignored  
Not anymore, say  
Here I am, here I am  
Here I am, here I am The world better make some room  
Yeah move over, over  
Cause your coming through  
Cause your coming through You gotta scream until

There's nothing left  
With your last breath say  
Here I am, here I am  
Make em listen  
Cause there is no way you'll be ignored  
Not anymore, say  
Here I am, here I am  
Here I am, here I am  
Here I am
