Wasted Years

Iron Maiden

From the coast of gold, across the seven seas

I'm travelin' on, far and wide

But now it seems, I'm just a stranger to myself

And all the things I sometimes do, it isn't me but someone elseI close my eyes and think of home Another city goes by in the night, ain't it funny how it is

You never miss if til' it's gone away

And my heart is lying there and will be til' my dying daySo understand don't waste your time Always searching for those wasted years

Face up, make your stand

And realize you're living in the golden yearsToo much time on my hands, I got you on my mind Can't ease this pain , so easily, when you can't find the words to say

It's hard to make it through another day

And it makes me wanna cry and throw my hands up to the skySo understand don't waste your time Always searching for those wasted years

Face up, make your stand

And realize you're living in the golden yearsSo understand don't waste your time

Always searching for those wasted years

Face up, make your stand

And realize you're living in the golden yearsSo understand don't waste your time

Always searching for those wasted years

Face up, make this stand

And realize you're living in the golden years
