Mothers Little Helper

Smiling Horse

Motherâ€™s little helper

They always tease me at my school
I didnâ€™t want to play the fool
Kids never left me alone
Since the day I stayed at home

Are you blind?
Are you blind?
No I,m not blind
I can see.

Well there is always a place you can hide
There is always a face you can find out somewhere
There is always a mind
Always a mind

Well there is always somewhere you can hide
There is always a face you can find
There is always a mind
Here is my mind

My mother will help me
If my mother would just help me
Is there a mother can help me?
Yes, here is your mother

My Motherâ€™s help will cheer me up
Mothers little help wonâ€™t pull me down
Motherâ€™s help puts my fee on solid ground

Mother can you save some time for me?
Mother you should help me easily
Mother is always here, where she has to be

You can find me
You can find me
Always find me ....â€•home

You can find me

All ways find me
You can find me ...â€™home

Well there is always somewhere you can hide
There is always a face you can find
Cause there is always a mind
There is always my mind

(Instrumentaal tussen break.)

Motherâ€™s help will pick me up
Mothers help wonâ€™t pull me down
Mother help me get my feet back on the ground

Mother can you save some time for me?
Mother you should help me easily
Mother is always there â€˜ where sheâ€™s got to be.
..â€•Oh yeah

You can find me
You can find me
Always find me ....â€•home (here we go again)

You can find me
Always find me
Always find me ...â€™home

Harmonica (voice make toeke toeke toek)

Well there is always a place you can hide
There is always a face you can find
There is always a mind
There is always a mind

Well there is always a place you can hide somewhere
There is always a face you can find
There is always a mind
There is always a mind
