Chris Brown

Uh oh, uh oh, uh oh, uh oh  
You might've seen her on every cover  
Of every magazine  
But can't nobody get her but me Uh oh, there she go  
Uh oh, there she go  
Uh oh, there she go  
Can't nobody get her but me Hot, damn, let me tell you, man  
She look so good, I'ma say it again  
So good that I can't explain  
When she do what she do she gon do her thang Over here, Miss Lane  
Come on, get fly with a Superman  
You ain't gotta worry, I won't play no games  
Baby, tonight So don't front  
You know you wanna stay  
It's all fun  
So baby, come and play It's picture perfect the way you work it, girl  
What's your purpose? Cause I deserve it, girl  
Before we get into somethin crazy  
All yall fellows back up off my lady Get you one cause I got that one  
Get you one cause I got that one  
Get you one cause I got that one  
Get you one cause I got that, got that It's the way she wears her clothes  
The beauty of a low  
The definition of a star  
Wanna meet her? You might've seen her on every cover  
Of every magazine

At the same time from around the way  
When she break it down she gon do her thang After the beat drop  
You can hear the bass from the parkin lot  
You ain't gotta worry, you won't tell me stop  
Baby, tonight So don't front  
You know you wanna stay  
It's all fun  
So baby, come and play It's picture perfect the way you work it, girl

What's your purpose? Cause I deserve it, girl  
Before we get into somethin crazy  
All y'all fellows back up off my lady Get you one cause I got that one  
Get you one cause I got that one  
Get you one cause I got that one  
Get you one cause I got that, got that It's the way she wears her clothes  
The beauty of a low  
The definition of a star  
Wanna meet her? You might've seen her on every cover
