Perpetual Motion

Mellow Madness

The cracks are showing, on my face
I didn't think that, I was that old my story is
I weathered every storm I, pulled it through
Falling by the wayside, I've seen a fewBut I never went down, never went down, I never will
Taken every single blow and countered
Never went down, never went down and better still
Look at my face and see your fatherI'm ready to take my turn
Taking the shot that, I've earned
Chance is what keeps me rolling
RollingDiamonds in my eyes, oceans full of pride
Can't you see, I'm only human
I'm in perpetual motion, I'm rolling, rolling
Can't you see, I'm only humanThe cracks are showing, on my face
The well ain't empty, never out of place
It seems to be harder, for some maybe
And I won't play, the game of wait and seeBut I never went down, never went down, I never will
Taken every single blow and countered
Never went down, never went down and better still
Look at my face and see your fatherI'm ready to take my turn
Taking the shot that I've earned
Chance is what keeps me rolling
RollingDiamonds in my eyes, oceans full of pride
Can't you see, I'm only human
I'm in perpetual motion, I'm rolling, rolling
Can't you see, I'm only humanI don't fight I win, underneath it I'm human
And my pride is not a sin, underneath it I'm human
And I respect my mistakes and decisions that I make
In time I've earned my cake, have my cake and then, I'll eat itI'm ready to take my turn
Taking the shot that I've earned
Chance is what keeps me rolling
RollingDiamonds in my eyes, oceans full of pride
Can't you see, I'm only human
I'm in perpetual motion, I'm rolling, rolling
Can't you see, I'm only human
