

Venus

Air

You could be from Venus
I could be from Mars
We would be together
Lovers forever
Care for each other You could live in the sea
And I could be a bird
We would be together
Lovers forever
Care for each other If you wear an illusion
I will make it real
We would be together
Lovers forever
Care for each other If you walk in the sun
I will be your shadow
We would be together
Lovers forever
Care for each other
