

# Stay The Night (feat. Hayley Williams) (Preview)

Zedd

I know that we are upside down  
So hold your tongue and hear me out  
I know that we were made to break so what? I don't mind  
You kill the lights, I'll draw the blinds  
Don't dull the sparkle in your eyes  
I know that we were made to break so what? I don't mind  
Are you gonna stay the night  
Are you gonna stay the night  
Oh oh oh oh, are you gonna stay the night  
Are you gonna stay the night  
Doesn't mean we're bound for life  
So oh oh oh oh, are you gonna stay the night  
Are you gonna stay the night  
Doesn't mean we're bound for life  
So oh oh oh oh, are you gonna stay the night  
I am fire gasoline,  
Come pour yourself all over me  
We'll let this place go down in flames only one more time  
You kill the lights, I'll draw the blinds  
Don't dull the sparkle in your eyes  
I know that we were made to break  
So what? I don't mind  
Are you gonna stay the night  
Are you gonna stay the night  
Oh oh oh oh oh, are you gonna stay the night  
Are you gonna stay the night  
Doesn't mean we're bound for life  
So oh oh oh oh oh, are you gonna stay the night  
(Are you gonna stay the night)  
(Oh oh oh oh oh, are you gonna stay the night)
