Do You Really Want to Hurt Me

Culture Club

{Popularity breeds content}Give me time

To realize my crime

Let me love and steal

I have danced inside your eyes

How can I be realDo you really want to hurt me

Do you really want to make me cryPrecious kisses, words that burn me

Lovers never ask you why

In my heart the fire's burnin'

Choose my color find a star

Precious people always tell me

That's a step, a step too farDo you really want to hurt me

Do you really want to make me cry

Do you really want to hurt me

Do you really want to make me cryWords are few I have spoken

I could waste a thousand years

Wrapped in sorrow words are token

Come inside and catch my tears You've been talkin' but believe me

If its true you do not know

This boy loves without a reason

I'm prepared to let you goIf it's love you want from me

Then take it away

Everything is not what you see

It's over againDo you really want to hurt me

Do you really want to make me cry

Do you really want to hurt me

Do you really want to make me cryCry, cry, cry

Cry, cry, cry

Cry, cry, cryDo you really want to hurt me

Do you really want to make me cry

Do you really want to hurt me

Do you really want to make me cryDo you really want to hurt me

Do you really want to make me cry
