

# Public Enemy No. 1

## Megadeth

Public enemy number one  
Jail break and a smoking gun  
You won't believe the things I've done  
And the killing is just for fun  
Public enemy number one  
A stolen car and I'm on the run  
Through the night till the rising sun  
And the trouble has just begun  
Roses on your grave  
I'll be on my way  
There's no time to stay  
With the enemies I've made  
I'm invincible  
You might say despicable  
Punishment's reciprocal  
Public enemy number one  
I'm unbeatable  
My mind's untreatable  
Crimes unrepeatabe  
Public enemy number one  
Solo Chris  
Public enemy number one  
Watch the authorities come undone  
With every stand-off that I've won  
Flirting death just for fun  
Public enemy number one  
Born a fugitive father's son  
Another heist of a bank is done  
  
And the trouble has just begun  
Roses on your grave  
I'll be on my way  
There's no time to stay  
With the enemies I've made  
I'm invincible  
You might say despicable  
Punishment's reciprocal  
Public enemy number one  
I'm unbeatable

My mind's untreatable  
Crimes unrepeatabe  
Public enemy number one  
Solo Chris  
The posters say I'm wanted "Dead or Dead"  
Anyone who's tried got a bullet to the head...  
I'm invincible  
You might say despicable  
Punishments reciprocal  
Public enemy number one  
I'm unbeatable  
My mind's untreatable  
Crimes unrepeatabe  
Public enemy number one  
Public enemy!  
Public enemy!  
Public enemy!  
PUBLIC ENEMY!
