Always Only You

Josh Wilson

One year after the rings and a west coast honeymoon
We are living in a rented house with a terrible view
You're finishing school and I'm writing songs
We've got no money but our love is strongI'm gonna love you always
Even on the not so sunny days
Through the good and the bad, baby, I still do
'Cause it's always only youOne day maybe you'll be a mom and I'll be a dad
But right now, baby, just kiss me and let's not think about that
'Cause we're too busy planning cheap dates
We're rentin' old movies and staying up lateI'm gonna love you always
Even on the not so sunny days
Through the good and the bad, baby, I still do
'Cause it's always only you, you, you, you, you, you, youDo you remember
The first time you held my hand?
I'm sure I would have liked that concert
But I wasn't watching the band, ohOh, I'm gonna love you always
Even on the not so sunny days
Through the good and the bad, baby, I still doI do love you and I mean always
And I know they won't all be sunny days
But I meant what I said when I said I do
'Cause it's always only just you and me
Always only you, oh yeah
'Cause it's always only, only you, yeah
