

Beautiful Eyes

The Naked Brothers Band

Verse 1

blond hair, shiny blue eyes
Face made of gold
Hypnotized by your beautiful eyes that draw me in
So please take my hand, I be honored to dance with you, maybe have a chance with you
beautiful one, beautiful girl
Hypnotized by your beautiful eyes

Chorus

Beautiful eyes in disguise
They will arise
I despise any man who would take them away
Beautiful eyes
Beautiful eyes in disguise
They will arise
I despise any man who would take you away

Beautiful eyes

Verse 2

I'd be happy to sit with you and tell you that life's all new
So please take my hand
Beautiful eyes in disguise
Chorus (1 1/2 times)
Beautiful eyes in disguise it will arise
I despise any man that would
take them away beautiful eyes
Beautiful Eyes in disguise it will arise i despise any man that would take you away beautiful eyes
Beautiful eyes in disguise it will arise i despise any man
that would take them away beautiful eyes
