Believer

Marc Scibilia

I wanna give up some days
It's hard to think about anything changing
So much f'ed up, so much I can't face
But I wake up with an angel, I have to sayI'm a believer, I'm a believer
I'm a believer, yes it's true
I'm a believer, I'm a believer
I'm a believer, I believe in youCity's on fire, streets are in flames
So much of the damage done in the name
Baby don't worry when skies turn black
You know in a hurry I got your backI'm a believer, I'm a believer
I'm a believer, yes it's true
I'm a believer, I'm a believer
I'm a believer, I believe in youAnd I know sometimes
It feels like we're trying
To walk on water
Just to go outsideIt's getting better
All the time
If it's hard to see it
You can use my eyes, yeah, use my eyes(I'm a believer, I believe in you)Walk with me baby
