

Akasoze Angidele

Sfiso Ncwane

Akasoze angidela nanini
noma ngabe nhikuphi na.
uJehovah unamandla okunqoba, ngingakhohlwa kanjani na.

ebumnandini nasezinhlungeni
akaze angiyekele
ingakho nami ngithembele kuye
inhliziyoyami, uthando lwami ngilunikela kuye.

ngiyethemba (kuye) kuyena ongumnqobi
nakho konke enginakho
Umusa wakhe umi nophakade
konke kuye kuyenzeka
(,ngiyamethemba) ngiyethemba kuyena ongumnqobi nakho konke enginakho
umusa wakhe umi nophakade
konke kuye kuyenzeka

Akasoze angidela nanini
noma ngabe nhikuphi na.
uJehovah unamandla okunqoba, ngingakhohlwa kanjani na.
