Caravan

Duke Ellington

Night and stars above that shine so bright
The mystery of their fading light
That shines upon our CaravanSleep upon my shoulder as we creep
Across the sands so I may keep
The memory of our CaravanThis is so exciting, you are so inviting
Resting in my arms
Thrill to the magic, the magic of your charmsYou beside me here beneath the blue
My dream of love is coming true
Within our desert CaravanThis is so exciting, you are so inviting
Resting in my arms
Thrill to the magic, the magic of your charmsNight and stars above that shine so bright
The mystery of their fading light
That shines upon our Caravan
That shines upon our Caravan
Oooh
