Impossible

Meredith Andrews

You're the one who shut the mouth of the lion
The God who put the giant in the grave
With your hand you turned the ocean into dry land
All to save
You opened up the eyes of the blind man
You're the one who calmed the storm and walked on waves
You rose and left an empty tomb behind you
All to save, All to saveIt's impossible for you to fail me
There's not a day that you won't go before me
Even when I'm at the end, I will not forget
It's impossible for you to fail
It's impossible for you to fail
Your love is deep enough to find me in the valley
And strong enough to lift me from my shame
A Holy King who freely gives me mercy
All to save, All to saveIt's impossible for you to fail me
There's not a day that you won't go before me
Even when I'm at the end, I will not forget
It's impossible for you to fail
It's impossible for you to failThough I stumble and doubt, you are here even now
Forever Faithful, Forever Faithful
Though I can't always see, I will choose to believe
That you are Faithful, Forever Faithful
It's impossible for you to fail me
There's not a day that you won't go before me
Even when I'm at the end, I will not forget
It's impossible for you to fail
It's impossible for you to fail
It's impossible for you to fail
