

Survive

Van She

She just keeps on changing
She's just try to survive
When she's done nothing wrong
With the head of a soldier and (?) of a cigaretteLook around
Can you take your head of the ground
Can you see me crying
Without you I'm no one and with you I'm crazy babyShe's just living her life
In a way that you can't see
She's the queen of the hell
And all she want's is a (?) feel alright
You can't see her
In the city of (life?)
She just keeps on changing
Again (?) 'cause she's just try'na surviveRun away
Run away
To the cityRun away
To the city of life
Run away
Run away
To the cityRun away
Run away
C-c-come on
