

Do You Have Fun?

The Photos

She lives in a bedsit in Queen's Park
Her fun starts after dark
She's got two special friends
Have fun that never ends
It's a case of let's pretend

Do you have fun? Do you have fun?
Do you have fun when you're out with your friends?
Do you have fun when you're out with your friends?

High in the car and going down town
Pissed as they laugh, don't wanna slow down
Hide a face and scream
It dare not go unseen
So much fun, it's obscene

Do you have fun? Do you have fun?
Do you have fun when you're out with your friends?
Do you have fun when you're out with your friends?

Pictures on the wall of bands around town
She likes a pretty face, don't care for the sound
She'll always dress to blind
Having fun it's no crime
It's always your place or mine

Do you have fun when you're out with your friends?

She lives in a bedsit in Queen's Park
Her fun starts after dark
She's got two special friends
Have fun that never ends
It's a case of let's pretend

Do you have fun? Do you have fun?
Do you have fun when you're out with your friends?

Do you have fun? Do you have fun?
Do you have fun? Do you have fun?
Do you have fun when you're out with your friends?

Do you have fun when you're out with your friends?
