Shine (R/D Remix)

Late Night Alumni

I'm not afraid I'm wrong
I'm so afraid I'm right
My deepest fear is that I'm powerful
But who am I to shine?How was I to know
You weren't the captain of my soul?
All this time
you and I
Could've been pulled apart
And I'd have stayed alive
It's past it's gone
Today I feel alright
I don't regret one single day
I think I'll I walk this lineHow was I to know
You weren't the captain of my soul?
Not overthrown
cause I know
Today I can be champion on my ownStarting now
I am myself again
From now on
I am a championStarting now
I am myself again
From now on
I am a champion
I'll never be alone
The rest of my life
Looking out for better days
Shining brighter lights
How was I to know
You weren't the captain of my soul?
All this time
you and I
Could've been pulled apart
And I'd have stayed alive
How was I to know
You weren't the captain of my soul?
All this time
you and I
Could've been pulled apart
And I'd have stayed aliveStarting now

I am myself again
From now on
I am a championStarting now
I am myself again
From now on
I am a championStarting now
I am myself again
From now on
I am a champion
