

# You On My Mind In My Sleep

**Richard Ashcroft**

you ain't ever seen  
the way to find your dreams  
forget what's within within  
'cause who you've been you've beenIf all we lose is the skin  
I'm putting you under within  
we're gonna make this life togetherthe symtoms are too deep  
I got you on my mind in my sleepdo you know how hard I try  
to lose this foolish pride  
can you take me as I am  
can you understand me  
unchain me nowIf all we lose is the skin  
I'm putting you under within  
we're gonna make this life togetherthe symtoms are too deep  
I got you on my mind in my sleepI got you on my mind in my sleep  
heavenly body
