

# Until the Sunrise

## Timeflies

Its getting late but Im not tired  
Theres no place Id rather be  
The night is young I feel inspired  
I guess well have to wait and see  
This night is perfect so dont let it end  
Lets make it worth it cause I got a feelin' that  
When this is over well do it again  
So if you feel it stand up, you could put your hands up  
Lets stay up until the sunrise  
We can dance the night away  
It could be like this forever  
Until tomorrow is today  
Its getting loud were moving faster  
Like the beating of your heart  
This could be a sweet disaster  
Run with me into the dark, yeah  
This night is perfect so dont let it end  
Lets make it worth it cause I got a feelin' that  
When this is over well do it again  
So if you feel it stand up, you could put your hands up  
Theres no need for time, cause with you its standing still  
Only to make me feel like I do now  
Cause we could have it all, till nothing is left to give  
Like this is our last chance  
Cause thats the only way I live  
Is like tomorrows the end and today's the day so you can save the date  
And you can live it how you wanna live it  
But youre gonna be givin' a whole lot of time just chasin' fate  
Everythings gon' be alright, so theres no need to fear  
Ima take you from the dark to the light so tonight we gonna live like we the last ones here  
Climbed myself from the bottom of the stars to the moon to the clouds now its back to earth  
And Im sayin' what I found on the way down when I touched ground is pain dont have to hurt  
So baby you could let it go, cause girl were free to run  
So we should live tonight and dance until we see the sun  
This night is perfect, well do it again, if you feel it stand up, you could put your hands up  
This night is perfect so dont let it end  
Lets make it worth it cause I got a feelin' that  
When this is over well do it again  
So if you feel it stand up, you could put your hands up

The whole worldll say  
Me and you were gonna stay up until the sunrise  
Baby let me hear you say
