# Painted Answers

## Mason Jennings

i want to give you more, i want to give you more
from the dark side of the streeet, painted answers at your feet,
oh love, oh love
is it enough, is it enough
yes, yes, it has to bei want to give you more, i want to give you more
from the bottom of the day, golden hoops to roll away
oh love, oh love
is it enough, is it enough
yes, yes, it has to beoooooooooooooooooooooooooooospringtime blues and empty rooms and we can't live without it
winter comes when all that stops and we dont talk about iti want to give you more, i want to give you more,
from the road that has no end,
silver boots that come againoh love, oh love love love
is it enough, is it enough
love love love
is it enough, is it enough
love love love
is it enough, is it enough
yes, yes it has to bei want to give you more, i want to give you more
from the dark side of the street,
painted answers at your feet
