Duffle Bag Boy

Playaz Circle

[hook:]
If I don't nothin' I'm a ball
I'm countin' all day like a clock on the wall
Now go and get your money little duffle bag boy
Said go and get your money little duffle bag boy get money
And I ain't ever ran from a nigga and I
Damn sho' ain't bout to pick today to start runnin'
Look honey I ain't never ran from a nigga and I
Damn sho' ain't bout to pick today to start runnin' get moneyThe beat so hot the flow is so ice cold
Walkin' to the Gucci store honey I'm home
I am on my shit I need a pamper on me
Toilet paper on the side for example homie
I, get, money
I know you niggas ain't heard no shit like this and
While you wishing on that fallin' star I'm in a foreign car
Smoking out with the doors ajar
Suede sun roof hangin' out the big top
We leave the dealership head to the rim shop
You niggas barely dressin' I got thousands piling
That's that salad dressin' I'm on my thousand island
Wildin' stylin' I be I get so much money its my i.d
Don't try me and if I dont do nuthin' I'm a fuckin' ball
And I ain't bout to start runnin' naw nigga naw[Chorus]Ain't nothin' to a boss we ballin' when you see us
We hear them haters callin' they too far off to see us
Unless they got they glasses on get your bifocal game
Class is now in session now try to stay focus mane
Your boy ain't good enough style ain't hood enough
Would've could've should've wont do with us true enough
Need a hoe break a hoe never nuthin' new to us
Turnin' hoes to house wives never been cool with us
Soon enough all these dealers are gonna catch up
Till then fuck it I'm winnin' so I'm a stack up
Flows like a river the current is so rapid
Hit with the ratchet thats how shit happens
Next time you're yappin' make sure it be about that big money talk
Let that lil' money walk call me what you want but don't call me for front
Southside I got what you want come holla at me
