

007 Is Also Gonna Die

Nephew

What is black and what is brown

What is field and what is town

What is silence, what is shout

What is fear and what is doubtD d d d double-0-seven is also gonna die

Bond James Bond himself is bound to die

D d d d double-0-seven is also gonna die

Bond James Bond himself is bound to dieWhat is less in less is more

What if god wont bless the whore

What if words like boy and girl

Did not rhyme with joy and worldD d d d double-0-seven is also gonna die

Bond James Bond himself is bound to die

D d d d double-0-seven is also gonna die

Bond James Bond himself is bound to dieHes bound to die
