

Show Me What I'm Looking For

Carolina Liar

Wait, Im wrong
Should have done better than this
Please, Ill be strong
Im finding it hard to resist
So show me what Im looking for Save me, Im lost
Oh lord, Ive been waiting for you
Ill pay any cost
Save me from being confused Show me what Im looking for
Show me what Im looking for
Oh lord Dont let go
Ive wanted this far too long
Mistakes become regrets
Ive learned to love abuse
Please show me what Im looking for Save me, Im lost
Oh lord, Ive been waiting for you
Ill pay any cost
Save me from being confused Show me what Im looking for
Show me what Im looking for
Oh lord Show me what Im looking for
Show me what Im looking for
Show me what Im looking for Save me, Im lost
Oh lord, Ive been waiting for you
Ill pay any cost
Just save me from being confused Wait, Im wrong
I cant do better than this
Ill pay any cost
Save me from being confused Show me what Im looking for
Show me what Im looking for
Show me what Im looking for
Show me what Im looking for
Oh lord
