Westfield

Lily & Madeleine

Driving home with you
Westfield, dark and blue
Feeling out in the open
Words don't need to be spokenI'm sitting next to you
It's 2am and you don't mind
You always keep your cool
And you're probably staying here
Talk about the next five years
It makes me feel weirdDriving home with you
Westfield, dark and blue
Feeling out in the open
Words don't need to be spokenI try to make it fun
But it's no use
I know I won't talk to you for months
And I'm not sure where I'll be
I don't know how I feel
And it makes no sense to meAnd when you don't know what to do
You always keep your coolDriving home with you (always keep your cool)
Westfield, dark and blue (always keep your cool)
Feeling out in the open (always keep your cool)
Words don't need to be spoken
