

# Won't Fall in Love Today

## Suicidal Tendencies

Baby, don't you be blue  
You know that I'll always be true  
You know that I'll always love you  
And we'll always be together, too  
Over a thousand things I can say to you  
Half of which would be untrue  
But the one thing for sure I can say  
Is that I won't fall in love today  
Baby when you hold me tight  
You know everything will be alright  
So let's not take any time to fight  
Because I love you with all my might  
Over a thousand things I can say to you  
Half of which would be untrue  
But the one thing for sure I can say  
Is that I won't fall in love today  
You make me feel like a man  
When we're rolling in the sand  
So come and take me by the hand  
And do the things you know we can  
Over a thousand things I can say to you  
Half of which would be untrue  
But the one thing for sure I can say  
Is that I won't fall in love today, yeah
