

# Break On Through

## DJ Disse

Danger, danger the Queen's about to kill  
There's a stranger, stranger and life about to spill  
    Oh no, move me out of harm  
    I need a spell and a charm  
    Fly like the wind  
I'm no pawn, so be gone, speed on and on  
    Kill the King  
    Tear him down  
    Kill the King  
    Strike him down  
Power, power it happens every day  
Power, devour all along the way  
    Oh no, move me out of harm  
    I need a spell and a charm  
    Fly like the wind  
I'm no pawn, so be gone, speed on and on  
    Kill the King  
Treason, treason, the specter looms again  
Treason, treason, the realm is safe and then  
    Oh no, move me out of harm  
    I need a spell and a charm  
    Fly like the rainbow  
I'm no pawn, so be gone, speed on and on  
    Kill the King  
    Tear him down  
    Kill the King  
    Got to take his crown  
    Kill the King  
    He'll rule no more  
    Strike him dead  
    He'll rule no more  
    Strike him dead  
    The people roar  
    Kill the King  
    Take his head  
    Down, down, down, down  
        Oh, kill  
        Oh, kill  
        Oh, oh
