

# Mister Love

## Itchyworms

Intro:

Live your life a little, fold it in the middle

And send it out to Mister Love!Boy:

Dear Mister Love, my name is Boy

Im only thirty-nine years old

And I havent had a girlfriend yet

Im so alone, I really dont know what to do

So Im asking for some tips from youMister Love:

Hey Boy!

If you think a girlfriend is what you need, true love indeed

Shell take away your money and leave you crying to me

Trust me, so follow my advice and soon youll seeBoy:

Dear Mister Love, I think youre wrong

cause everybody in the world needs love

And I know thats where we all belong

Im so much loved

My heart is bursting through and through

I just need someone to give it toMister Love:

Hey Boy!

If you think its love in your life you lack, its a heart attack

Think of yourself as lucky to be so single and free, like me

No, you dont need another he or sheBoy: What is it that made you feel that way?Mister Love: What do you care?Boy: Tomorrow theres a chance for a brighter dayMister Love: Cant you see were living in a modern

world of hate?Boy: A world that you made...Mister Love: You can get a psycho for a date!Mister Love:

Tomorrow well see what happens to me

You could be right, its dark but theres lightMister Love / Boy:

Tomorrow well see what happens to me / I guess its just too dark to seeYou could be right, its dark but theres light / Your love was never meant for meTomorrow well see what happens to me / Its something not youre

thinking ofYou could be right, Its dark but theres light / Id rather die than lose at loveChorus:

Live your life a little, fold it in the middle

And send it out (send it out to Mister Love)

If you get in trouble, hell come and make it double

Just send it out (send it out to Mister Love)Send it out to Mister Love!Live your life a little, fold it in the middle

And send it out (send it out to Mister Love)

If you get in trouble, hell come and make it double

Just send it out (send it out to Mister Love)Send it out to Mister Love!Live your life a little, fold it in the middle

And send it out (send it out to Mister Love)

If you get in trouble, hell come and make it double

Just send it out (send it out to Mister Love)Live your life a little, fold it in the middle

And send it out (send it out to Mister Love)  
If you get in trouble, hell come and make it double  
Just send it out, send it out to Mister Love...
