

# Cherry Blossom Girl

## Thepetebox

I dont want to be shy  
Cant stand it anymore  
I just want to say Hi  
To the one I love  
Cherry blossom girlI feel sick all day long  
From not being with you  
I just want to go out  
Ever night for a while  
Cherry blossom girlTell me why cant it be trueI never talk to you  
People say that I should  
I can pray everyday  
For the moment to come  
Cherry blossom girlI just want to be sure  
When I will come to you  
When the time will be gone  
You will be by my side  
Cherry Blossom GirlTell me why cant it be trueIll never love again  
Can I say that to you  
Will you run away  
If I try to be true  
Cherry blossom girlCherry blossom girl  
Ill always be there for you  
That means no time to waste  
Whenever theres a chance  
Cherry blossom girlTell me why cant it be true
