Almighty Love (Acoustic)

Damien Dempsey

The love I feel for you I know I'll never lose
If you've an enemy they'll have to go through me
I know you'd do the same, for me you take the blame
The love that drove Gandhi to die for India free
And Rosa Parks we see the power of dignity
And Tony Benn MP he finds equalityAlmighty love
I feel almighty love
Almighty love
I feel almighty love
I would go through the wall if out to me you called
My every drop of blood I'd spill for you with love
If push it comes to shove the gates of hell I'd open up
We saw Marie Colvin for love give everything
And Bobby Marley sings the downtrodden grow wings
John Lennon's words still ring as true today as anythingAlmighty love
I feel almighty love
Almighty love
I feel almighty loveToday
Almighty love is their way
I want to live
Tonight
Almighty love feels so right
It's ours to give
Today
Almighty love is their way
I want to live
Tonight
Almighty love feels so right
It's ours to give
