

Dance Bitch

Estelle

Verse 1:

Yes Estelle here like you never ever seen before
Oh its real believe I always leave you wanting more
No, its really not a game you think Im playing your
Paid my dues and now Im bout to brake it down for yall
Chorus:
I dont want to see you sitting down when the beat drops, now
What you doin leaning on the wall like you aint hear a sound
If you know what youre working with let me hear your hips start bounce
Let me see you bounce to this

And just rock to this
And go(Dance bitch)
Just shake it on the floor
Dont stop back it up
Shake a little more
(Dance bitch)
Dont stop now
Throw your hands in the air
Get a little wild with it
(Dance bitch)
Let me see you move your thighs when you sway to the beat
Yeah I know you feel it right
Come on
(Dance bitch)
Come on and get it real hot
When you listen to the hook
And youre waiting for the beat drop

Verse 2:

Listen,
I only hung around with bitches
Chicks wanna pose like theyre waiting on a picture
Huh, see that base slide under me
When I hear that
See me start rockin it
Yuh, I dont give a f**k about your bling
Im ma shut this shit down like a policing team
Yuh, you see my full moon rising
Gone for nights and days like this note book I write in
Chyup, let me help you with that stress
See you watching tell why youre battering those steps an,
When youre up in the club or raving in your yard
I can see your head bouncing

Pity youre ugly
Natural, buck teeth
Put your drink down and get down on this up beat
Yeah, if you hear this beat swif
From my town to your town
(Dance bitch)I dont want to see you sitting down when the beat drops, now
What you doin leaning on the wall like you aint hear a sound
If you know what youre working with let me hear your hips start bounceLet me see you bounce to this
And just rock to this
And go(Dance bitch)
Just shake it on the floor
Dont stop back it up
Shake a little more
(Dance bitch)
Dont stop now
Throw your hands in the air
Get a little wild with it
(Dance bitch)
Let me see you move your thighs when you sway to the beat
Yeah I know you feel it right
Come on
(Dance bitch)
Come on and get it real hot
When you listen to the hook
And youre waiting for the beat dropI dont want to see you sitting down when the beat drops, now
I dont want to see you sitting down when the beat drops, now
(Dance bitch) x 8
