

Fantasy (live on Triple J: Like A Version)

MS MR

Don't know what you think you saw
You didn't know at all
Lost sight of who you are
Came to make a connection
Force myself in a dimension
Lost sight of myself if I could force my heart, my ears, my mind
And eyes to get in line
Maybe I'll find something real
Not a fantasy so divine
Let myself down each time
Let myself down each time How could you be what I wanna see?
How could you be what I wanna see?
How could you be what I wanna see?
When my reality
Could never live up, could never live up
To the fantasy Revolution from dissolution, hypnotizing and demoralizing
Pressure of the future, too much for today
How many hours will I let slip away
Before I realize existing and living
Are not the same
Are not the same How could you be what I wanna see?
How could you be what I wanna see?
How could you be what I wanna see?
When my reality
Could never live up, could never live up
To the fantasy How could you be what I wanna see?
How could you be what I wanna see?
How could you be what I wanna see?
When my reality
Could never live up, could never live up
To the fantasy
