Heaven

Khalid

You're my ride or die Let's burn out tonight Even if we don't surviveWe were right about being wrong Don't look back to the wreck Stay with me Turn your head, this is it All that's left Just some times that we had Woah, Heaven, make me an offer Lord, there's nothing for me left down here Heaven, if you come over Oh, I know how to make us disappear Woooah WoooahAnd now the way you say My name sounds like a song That you've been singin' all along Don't forget it once I'm goneWoah, Heaven, make me an offer Lord, there's nothing for me left out here Heaven, if you come over Oh, I know how to make us disappear Heaven, (yeah...) make me an offer Lord, there's nothing for me left out there Heaven, if you come over Oh, I know how to make us disappearHeaven, make me an offer Lord, there's nothing for me left out here
