

# I Don't Need A Hero

## Concrete Blonde

You always said I was a liar  
But we burn like a house on fire  
No matter what, you know that to be true.  
And everything you gave to me  
Changed everything I used to be  
Much more than anyone I ever knew And I don't need a hero  
I don't need a soldier  
I did when I was younger  
But now that I'm older  
I don't need a father,  
I don't want to be your mother  
It's just that anyone of us is half  
Without another one is you The colors of that piece of time  
Are still so fresh inside my mind  
And it makes the movie  
Of my life seem pale  
And all the games I have to play  
I got to give a lot of me away  
But the part with us  
Will never be for sale The words of love have been confused  
The ways of love have been abused  
Is this a lottery you win or lose?  
I don't know  
It's an endless circle over time  
The place inside where I hold and find  
Your sweet and happy music in my soul
