Hangin' Tree

Blues Saraceno

Chorus 2x

Glory be, glory be
They hung him from the hanging tree
Strung him up for all to see
They done sent that sinner back home

There's a storm a'comin
it's riding down on me
There's a change a'yonder
Can't ya see, can't ya see
Let the Lord call home another
Praise the Lord, don't come for me

Chorus 2x
