Gothica

Irina

walking down the cold and lonely street feeling so alone see riped walls and broken down homes I wonder if there could be a change but first how did this happen what happened to this placeGothica did this to everyone Gothica is guilty she deystroyed the places, she knew she would get caught but she never learned. Now she is gone (she is goooone) to another place.I go to another place (it's scary) the people look really sad I don't know what happened here but I think I may have clue but why (whyyyyyy) ohhh tell me whyyy It wasGothica she did this to everyone Gothica is guilty she destroyed the places, she knew she would'nt get caught but she never learned. Now she is gone. (she is goooone)Oh whhhyyy!.... Gothica you don't know how other people feel they are suffering your hurting them stop, stop, stooop please stop
gothi....caaaaaaaaaaaaaaa...
