As Good As It Gets

Ratt

(Oh yeah)And im looking for someone with a vengeance
And i know you were looking too
I thnk i found it in my sweet Melissa
I'm gonna tell you what im gonna do
Yeah she's my lover she's my friend
You don't even come close to that
Now im lookin for that invitation
And if you're lucky you'll get yours tooYou kinda like me and i like that
You got me grinning like a cheshire cat
The way you love me i wouldn't bet
I'll tell you something it's as good as it getsSo you went looking for that wanted man
And i know that i was part of the plan
The way you love me i wouldn't bet
I tell you honey it's as good as it gets
She's like no other i can't pretend
I'm gonna give her everything i can
We slip and slide when im deep inside
Come up for air gonna go for a rideYou kinda like me and i like that
You got me grinning like a cheshire cat
The way you love me i wouldn't bet
I'll tell you something it's as good as it getsYou kinda like me and i like that
You're like a train running off the tracks
You always work me up to a sweat
I tell you honey you're as good as it gets
YEAH!Guitar solo.You kinda like me and i like that
You got me grinning like a cheshire cat
The way you love me i wouldn't bet
I'll tell you something it's as good as it getsYou kinda like me and i like that
You're like a train running off the tracks
You always work me up to a sweat
I tell you honey you're as good as it gets
YEAH!
