Sold Out

Stolen Apple

Here's my pain
comin' all right
set my fly
losing all fight

Call my mind
follow my sight
buy my face
spinning the flight

Feel me
I am sold out
Gain all
I am sold out

Here's my rain
comin'all right
test my lie
comin' all right

I'm not sad
deep is the light
when you dream
incubus' fine

Feel me
I am sold out
Gain me
I am sold out

Here's my fen
Come in all right
Step in the flight
Come in all right
I'm not sad
Come in all right
Here's my fen
Still.....grave
