

One Night

[Smiley Lewis](#)

One night of sin,
Is what I'm now paying for
The things I did and I saw
Would make the earth stand still Don't call my name
It makes me feel so ashamed
I lost my sweet helping hand
I got myself to blame Always lived, very quiet life
Never never did no wrong
Now I know that very quiet life
Has cost me nothing but harm One night of sin,
Is what I'm now paying for
The things I did and I saw
Would make the earth stand still
