

Shivers

Dio

ShiversFingers scratching blackboards
Make cowards of the brave
A natural reaction
From the cradle to the graveRats and bats and spiders
And little things that crawl
Never make me tremble
I'm bothered not at allThen I saw you
Something new inside of me
What's this shakin'
You made me shiverCemetery midnights
Walking on the dead
Never seemed to matter
It's all inside your headNames are only letters
Mentioned on a stone
And If you're going somewhere
You're going it aloneThen I saw you
Something new inside of me
What's this shakin'
You made me shiverMagic charms and voodoo
And all those other spells
Didn't make impressions
I never slept so wellIf I had a nightmare
I'm sure that I would know
I really don't remember
But I'm sure it isn't soThen I saw you
Something new inside of me
What's this shakin'
You made me shiverTurn out the lights it won't matter
A bucket of blood and I'm fine
A black cat's only a color
But you can do it every time
