Lost In the Shadows

Lou Gramm

Say hello to the night
Lost in the shadows
Say hello to the night
Lost in the loneliness
Say hello to the night
Lost in the shadows
No one knowsI can't wait, I can't wait, no
When I see little lights in the shadows
One must hide when the sun gets higher
I don't know what this madness meansHere comes the night, the bedroom in shadows
Candlelights, I don't know where it's coming from
But I, I keep moving on
Till the darkest thought makes me want to try these wingsSay hello to the night
Lost in the shadows
Say hello to the night
Lost in the loneliness
Say hello to the night
Lost in the shadows
No one knowsLoneliness pours over you
Emptiness can pull you through
Did you go to sleep with the light on?
I can't wait for this feeling to free meWind blows hard, but it doesn't matter
'Cause when the sun goes down
Nothing else matters, the line is where the night lies
I will wait outside her window tonightSay hello to the night
Lost in the shadows
Say hello to the night
Lost in the loneliness
Say hello to the night
Lost in the shadows
No one knowsLoneliness pours over you
Emptiness can pull you through
Did you go to sleep with the light on?
I can't wait for this feeling to free meSay hello to the night
Lost in the shadows
Say hello to the night
Lost in the loneliness
Say hello to the night
Lost in the shadows

No one knows
