The Avenue

WATERS

I was out on the avenue
Wondering how I thought of you
It's funny how it goes
All this back and forth
Took too many years
To know
Now I've got some new friends
And they're out there waiting for me, for me
Now I've got some new plans
And they're out there waiting for me, for me
I was out on the avenue
Flashing lights still I see you
Where we used to hang
All those crazy nights
You took too much of me
And I know
Yeah, now I've got some new friends
And they're out there waiting for me, for me
Now I've got some new plans
And they're out there waiting for me, for me
When I ran away that weekend
Made me wonder why I hadn't told you off
Like you deserved it
Ain't know way that we'd work through it
Yeah, now I've got some new friends
And they're out there waiting for me, for me
Now I've got some new plans
And they're out there waiting for me, for me
