

River Below

Billy Talent

Rejected since day one, my name is Bastard Son
I've been damned so many times I've lost count
Blue collar working man, devices master plan
Bi-polar with a mental side arm
I'm sick and I'm twisted
I'm broken, you can't fix it
Don't make me 'cause I'll do it
Red button and we'll all go
Into the river below, I'm running from the inferno
They'll think I'm insane but ya'll all know my name
Into the river below, I'm running from the inferno
I'll take all the blame, the front page and the fame
Contraption made up of nuts and bolts
Creates the new monster to burn your family tree down
Tick-tocking, times up now, split second the world frowns
Lonely heart never had nobody
I'm sick and I'm twisted
I'm broken, you can't fix it
Don't make me 'cause I'll do it
Red button and we'll all go
Into the river below, I'm running from the inferno
They'll think I'm insane but ya'll all know my name
Into the river below, I'm running from the inferno
I'll take all the blame, the front page and the fame
I'll take all the blame, the front page and the fame
Into the river below
Into the river below
Into the river below
Into the river below
Into the river below, I'm running from the inferno
They'll think I'm insane but ya'll all know my name
Into the river below, I'm running from the inferno
I'll take all the blame, the front page and the fame
Yeah, I'll take all the blame, the front page and the fame
But ya'll all know my name
And don't think I'm insane
But ya'll all know my name
And don't think I'm insane
