Awesome

Nicole Cross

Last fall, such a mess
Let you play in my head
Felt so small I could die
Birds eye, caught a view
Now I don't think of you
I cut you down to sizeYou know that it's a big damn deal
That I can say this in the mirror
It's been a bumpy ride took a long damn time
Now I couldn't be more clearEverything I do is awesome
Took my stupid loser ex and lost him
Every flaw that's part of me I rock it!
And I can't believe that I forgot itEverything I do is awesome
Took my stupid loser ex and lost him
Every flaw that's part of me I rock it!
And I can't believe that I forgot itRoll in with a smile
Ain't seen you in a while
A little scared I'll admit
But I could trip up, spill my drink
I don't care what you think
You never seen me like thisYou know that it's a big damn deal
That I can say this in the mirror
It's been a bumpy ride took a long damn time
Now I couldn't be more clearEverything I do is awesome
Took my stupid loser ex and lost him
Every flaw that's part of me I rock it!
And I can't believe that I forgot itEverything I do is awesome
Took my stupid loser ex and lost him
Every flaw that's part of me I rock it!
And I can't believe that I forgot itYou know that it's a big damn deal
That I can say this in the mirror
It's been a bumpy ride took a long damn time
Now I couldn't be more clearEverything I do is awesome (is awesome)
Took my stupid loser ex and lost him (and lost him)
Every flaw that's part of me I rock it! (I rock it)
And I can't believe that I forgot itEverything I do is awesome
Took my stupid loser ex and lost him
Every flaw that's part of me I rock it!
And I can't believe that I forgot it
