

We're All Dudes

Less Than Jake

It's time to put hard times behind
Get all the bad things off your mind
He's feeling good, she's feeling good
We're feeling good, yeah Just hanging out, just having fun
We're number one, just hanging out
Just having fun I'm a dude, he's a dude
She's a dude, we're all dudes, hey
I'm a dude, he's a dude
She's a dude, we're all dudes, hey There's nothing better than your friends
There's no problem you can't win
Someone who's always got your back
Not caring about this and that Just hanging out, just having fun
We're number one, just hanging out
Just having fun I'm a dude, he's a dude
She's a dude, we're all dudes, hey
I'm a dude, he's a dude
She's a dude, we're all dudes, hey I'm a dude, he's a dude
She's a dude, we're all dudes, hey
I'm a dude, he's a dude
She's a dude, we're all dudes, hey It's all about meeting new faces
A smile is on your face and you can't erase it
Partying on, it's going on
Partying on to the break of dawn It's time to put hard times behind
Get all the bad things off your mind Just hanging out, just having fun
We're number one, just hanging out
Just having fun, just hanging out
Just having fun, we're number, woah I'm a dude, he's a dude
She's a dude, we're all dudes, hey
I'm a dude, he's a dude
She's a dude, we're all dudes, hey I'm a dude, he's a dude
She's a dude, we're all dudes, hey
I'm a dude, he's a dude
She's a dude, we're all dudes, hey Uh wait, what are we doing now?
Uh yo, we're breaking it down
Rock on dude, ha ha I'm a dude, he's a dude
She's a dude, we're all dudes, hey
I'm a dude, he's a dude
She's a dude, we're all dudes, hey I'm a dude, he's a dude
She's a dude, we're all dudes, hey

I'm a dude, he's a dude
She's a dude, we're all dudes, hey
