I Wanna Know You

SCOOBIE DO

Whoa oh
Whoa oh
Whoa oh
When I saw you over there
I didn't mean to stare
But my mind was everywhere
I wanna know you
Gonna guess that you're the kind
To say what's on your mind
But you listen when I have something to show you
There's a mark above your eye
You got it in July
You're fighting for your sister's reputation
You remember people's names
And violent times are lame
So I bring you flowers just for no occasion oh
Whoa oh, whoa oh, whoa oh
I wanna know you
Whoa oh, whoa ohm whoa oh
I wanna go there where you go
I wanna find out what you know
And maybe someday down the road
Sit back and say to myself
Yeah, I thought so
You smile and never shout
You stand out in a crowd
You make the best of every situation
Correct me if I'm wrong

You're fragile and you're strong
A beautiful and perfect combination yeah
Whoa oh, whoa oh, whoa oh
I wanna know you
Whoa oh, whoa oh, whoa oh
I wanna go there where you go
I wanna find out what you know
And maybe someday down the road
I'll sit back and say to myself
I like how you are with me

In our future history
And maybe someday down the road
I'll sit back and say to myself
Yeah, I thought so
I thought so, whoa, yeah
Whoa oh, whoa oh, whoa oh
(Yea yea)
I wanna know you
(Yea, yea)
I wanna go there where you go
I wanna find out what you know
And maybe someday down the road
I'll sit back and say to myself
I like how you are with me
In our future history
And maybe someday down the road
I'll sit back and say to myself
Yeah, I thought so
