Ay you wan' score ki, no you wan' score an ounce
I ain't gon' show you shit, make sure you got the right amount
Boy I can't front you nuttin' but I respect ya G
It could get fatal if I let niggaz get next to me
The junkies like my coke, Doctors, and Lawyers too
They in, and out here all day lookin' for the right Peru
I use to do it too but I had to let it go
I can't get loaded I'm lil' wodie that supply the cokeMy shit'll have you where you don't even much wanna eat
Have you a lack of sleep always out up in them streets
Been in rehab for weeks come home and get a bag from me
You gon' relapse indeed, probably want ever leave
Don't want no problems, I just wanna get this cheddar please
I can't get popped, I've been convicted for two felonies
Look I'm just tryna put some clothes on my daughter
I hope they ain't ridin' I need to sell this other quarterIf you score some coke from me, you will be
Numb, numb, numb, numb, numb, numb, numb, numb, numb
If you don't get it from me you will be
Dumb, dumb, dumb, dumb, dumb, dumb, dumb, dumb, dumb
You'll be comin' back in minutes to get
Some, some, some, some, some, some, some, some, some
Damn Juvie where you get that
From, from, from, from, from, from, from, from, fromThey don't work off the hit 'cause we don't fuck with the
foes
They be sellin' them soft we had enough of them sold
And we work off the hit 'cause we don't fuck with the foes
We don't be sellin' them soft we had enough of them soldWeigh it and bring it in this shit is shipped to me
I never transported nothin' peep out my history
My house is sittin' plush-my cars is lookin' lovely
Police men wanna cuff me therefore I'm rollin' buckets
Not tryna make it public don't wanna be the subject
Mama tunin' it don't spend ya money boy stay in ya budget
I seen a lot of fools goin' buyin' a lot of shoes

They children not in school they gotta lot to prove I puts my money back up into my flip
 Some to the side in case them people run up in my shit
 Chopper up all the time with two taped up clips
 And if you come fuckin' with mine I'm a use this bitch
 They want me for distribution from New Orleans to Houston
 Someone been runnin' there mouth tellin' 'em how much I'm movin'
 I'm just tryna put some clothes on my daughter
 I hope they ain't ridin' I need to sell this other quarter If you score some coke from me, you will be
 Numb, numb, numb, numb, numb, numb, numb, numb, numb
 If you don't get it from me you will be
 Dumb, dumb, dumb, dumb, dumb, dumb, dumb, dumb, dumb
 You'll be comin' back in minutes to get
 Some, some, some, some, some, some, some, some, some
 Damn Juvie where you get that
 From, from, from, from, from, from, from, from, from I got my first work when I was sixteen
 And niggaz still not knowin' what happened to brick leans
 It's not an easy task might have to beat the last
 You gon' get caught up out here tryna save ya people ass
 Can't have 'em bring it first if you can't pay 'em its worth
 You could get murdered for that he just may let it burst
 Smart high walk to earth, and maybe enemy turf
 Pray I don't get in they way just let 'em do they dirt And I know after the cut woah my shit is the bomb
 That must be the Saudi Arabia 'cause it ain't Hussein
 You ain't got that Florida dope, ride it down a coke
 Have to spend all ya dough or you want leave fa sho
 They come in Menthazine no caps on it is
 Want be that long before ya family know you on that shit
 Look I'm just tryna put some clothes on my daughter
 I hope they ain't ridin' I need to sell this other quarter If you score some coke from me, you will be
 Numb, numb, numb, numb, numb, numb, numb, numb, numb
 If you don't get it from me you will be
 Dumb, dumb, dumb, dumb, dumb, dumb, dumb, dumb, dumb
 You'll be comin' back in minutes to get
 Some, some, some, some, some, some, some, some, some
 Damn Juvie where you get that
 From, from, from, from, from, from, from, from, from If you score some coke from me, you will be
 Numb, numb, numb, numb, numb, numb, numb, numb, numb
 If you don't get it from me you will be
 Dumb, dumb, dumb, dumb, dumb, dumb, dumb, dumb, dumb
 You'll be comin' back in minutes to get
