

The Walk (Everything Mix)

The Cure

I called you after midnight
Then ran until I burst
I passed the howling woman
And stood outside your doorWe walked around a lake
And woke up in the rain
And everyone turned over
Troubled in their dreams againVisiting time is over
And so we walk away
And both play dead then cry out loud
Why we always cry this way?I kissed you in the water
And made your dry lips sing
I saw you look like a Japanese baby
In an instant I remembered everything
Everything, everything, everythingI called you after midnight
Then ran until my heart burst
I passed the howling woman
And stood outside your doorI kissed you in the water
And made your dry lips sing
I saw you look like a Japanese baby
In an instant I remembered everything
Everything, everything, everythingTake me for the walk
Take me for the walk
Let's go for a walk
Take me for the walk
