I Rape Myself

Caliban

Now I'm standing here alone at the of the road
Screaming into the emptiness
Why did we start this way together?
(Although)
It was clear to me I would end up all alone
(Completely)
Broken and misused by loveI rape myself and I don't know why
This whole thing makes no sense
No sense at allHave you ever understood me?
Have you ever felt the same?
Have you ever looked in my eyes?
Bury my starving heartI rape myself and I don't know why
This whole thing makes no sense
No sense at allMy heart was a present
But you didn't understand
You weren't ready to go until the end together
(Beside me)
That is why I'm standing here all alone
Screaming into the emptinessI rape myself and I don't know why
This whole thing makes no sense
No sense at all
