F.U.N. Song

SpongeBob SquarePants

It's not about winning, it's about fun
What's that?
Fun is when you, fun is, it's like, it's kind of
Sort of like a, what is fun? I
Let me spell it for youF is for friends who do stuff together
U is for you and me
N is for anywhere and anytime at all
Down here in the deep blue seaF is for fire that burns down the whole town
U is for uranium, bombs
N is for no survivors when youPlankton those thing aren't what fun is all about
Now do it like thisF is for friends who do stuff to
Never, that's completely idioticHere, let me help you
F is for friends who do stuff together
U is for you and me
Try it
N is for anywhere and anytime at all
Down here in the deep blue seaWait, I don't understand this
I feel all tingly inside, should we stop?
No, that's how you're suppose to feel
Well, I like it, let's do it againOkay
F is for frolicking through all the flowers
U is for Ukulele
N is for nose picking, sharing gum and sand licking
Here with my best buddy
